StatFox Brian

StatFox Brian has yet to suffer a losing season of Platinum Sheet Best Bets in either college football, NFL, college basketball or NBA since coming on board during the summer of 2010—**that's an astounding 10 straight seasons without a losing mark.** Brian is a perfect **4-0 ATS in NFL Playoff** Best Bets and has a strong **55% ATS** mark in NBA Best Bets this season.

StatFox Dave

One of the original founders of StatFox, Dave racked up a 59% success rate on all picks (including a perfect **5-0 ATS in the NBA Finals**) and an astounding **66% success rate on Best Bets during the 2012 NBA postseason.** Dave has caught fire in college basketball Best Bets recently, going **7-3 ATS (70%)** from Thursday to Sunday. That boosts him to **54.4% ATS** (81-68-3) for the season.

StatFox Gary

StatFox Gary joined the staff in 2010. He finished the 2011-12 college basketball regular season with a 156-99-1 (61%) record on all picks, which included a gaudy **54-25 record against the spread (68%)** on college basketball Best Bets. Gary has put together another profitable college basketball season of Best Bets, going **58% ATS** (50-37). He is also a perfect **2-0 ATS in NFL Playoff** Best Bets.

StatFox Scott

StatFox Scott had a 2011-12 college hoops season for the ages: He racked up a 156-99-1 (61%) record on featured matchups with a **56-23 record against the spread (71%) on Best Bets**, closing the season with a 39-11 record for a **mind-boggling 78% success rate** from Dec. 23 through early March. Scott had a huge **8-3 ATS (73%)** week in CBB Best Bets, and is **54% ATS** in NBA Best Bets, and **58%** in NBA totals this season.

Welcome

to Week 21 of *The Platinum Sheet*, and I hope this past weekend of football was as profitable for you as it was for the people who subscribe to the online Best Bets provided by our StatFox staff. Our quartet combined to go 10-6 ATS on all picks in this past weekend's NFL Divisional Playoff games, and 6-2 ATS on Best Bets. Through two rounds of the NFL postseason, the StatFox Best Bets are 11-3 ATS and 7-4 on Over/Unders. Leading the charge is StatFox Brian, who went 2-0 ATS on Best Bets during Wild Card weekend and then 2-0 ATS on Best Bets again this past weekend to up his NFL Best Bets ATS record for the season to 35-24-2 (59.3%). If you're not a subscriber, you missed out on this analysis, for example, from StatFox Brian on the Ravens/Broncos game:

Yes, the Broncos have won 11 straight, but only two of those 11 opponents finished the season with at least a .500 record, the Bengals and Ravens. And I think more important than the Ray Lewis factor, is the revenge aspect. In the past 10 seasons, underdogs of 3.5 to 10 points are 24-4 ATS (86%) when revenging a loss where the opponent scored 28+ points, with a winning record, in the second half of the year. Peyton Manning has faced the Ravens twice in the playoffs, both since 2007, and has led his team to a total of 35 points in those two wins, posting a paltry 68.3 passer rating with 5.6 YPA, 2 TD and 3 INT. We haven't seen the best the Ravens have to offer, and I think they will win this game outright, making the +350 money line a strong wager.

Granted, there are only three games left in this NFL season, but there's still plenty of basketball to be played, at both the pro and college levels. Our hoops record has been might impressive over the past several seasons. You don't want to miss out.

GAME BREAKDOWN

The Falcons made another narrow escape at home last week. They're 8-1 SU but 4-5 ATS at home, and they haven't been a home underdog since October 2011. QB Matt Ryan is 34-6 SU career at the Georgia Dome, and the Falcons have won 12 of 13 SU at home, the lone loss in a meaningless Week 17 game. In two years under Jim Harbaugh, San Fran is 6-1 SU and ATS in the Eastern time zone. QB Colin Kaepernick went just 2-2 SU on the road as a starter during the 2012 regular season.

GAME BREAKDOWN

In last year's title game, Baltimore came within a dropped TD of a victory and a missed short FG of forcing OT at New England. The Ravens haven't been as good defensively this year, allowing 400-plus yards six times this season. New England hung 41 points and 457 yards on Houston last week, but will continue to be without TE Rob Gronkowski (arm). Even with last week's big win, the Patriots are only 2-5 ATS in their last seven home playoff games, and they lost SU to Baltimore in the Divisional round three years ago.

**TOP FOXSHEETS.COM
AGAINST THE SPREAD
SUPER SITUATION**

NFL CONFERENCE CHAMPIONSHIP GAME BETTING TRENDS

The NFL's Final Four

Recent history suggests we could see a lot of scoring this Sunday

The Conference Championship games have taken on a different feel lately than most football fans had become accustomed. For one, no longer is the No. 1 seed a lock to be hosting the game: Prior to 2006, top seeds had hosted 21 of the 26 games since '93—they will have hosted only seven of the last 16 once this Sunday's games are played in Atlanta and New England.

With upsets becoming more frequent in the earlier rounds, the typical methods for handicapping the Conference Championships has changed. We'll dive deeper into that as we move along, but we'll start with the fact that home teams are just 24-16 SU & 18-21-1 ATS in the last 40. One thing that has stayed consistent, however, is the fact that the games in this round have been reliably high scoring. In terms of the total, OVER has been the result in 24 of 40 games since '93, and only three times in that period was the UNDER the result in both games in a single year.

Recent Trends

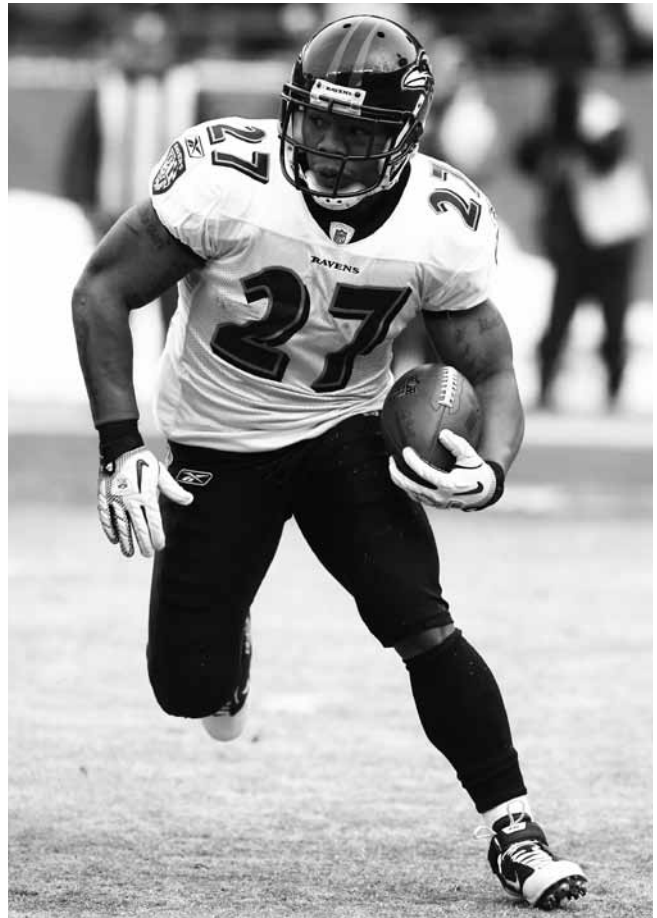

We've already established the fact that most recent Conference Championship games have gone OVER the total. If you look back at just the games since '05, 12 of the 16 games have seen the total go that way. Home-field advantage has been restored somewhat as well of late, with hosts on a run of 10-3 SU & 7-6 ATS dating back to the late game of January 22nd of 2006. Here are some other general handicapping tidbits you might be able to utilize this Sunday:

- AFC and NFC Conference Championship games have shown varying results. In the AFC, road teams are on a run of 5-8 SU & 7-6 ATS in the last 13 years. In the NFC, home field has been more advantageous, with hosts boasting a record of 5-3 SU & 4-4 ATS in the last eight games.
- Overall, favorites own a slight 11-9 ATS edge in the last 10 years on Conference Championship Sunday. AFC favorites have carried that edge, going 7-3 ATS.
- Four of the last six NFC Championship games have gone OVER the total. The home team has averaged more than 25 points per game during that span.

Trends by Seed Number

Here's a breakdown of trends specific to the seed number of the play-off teams involved in the Conference Championship games:

- Six of the last eight times that a Conference Championship game was hosted by a non-No. 1 seed, the game went OVER the total, producing 46.9 PPG. Four of the last six non-No. 1 seeded hosts won their games, both SU & ATS.
- There have been 14 instances since '93 in which a seed No. 4 or lower reached the Conference Championship Round and took on a No. 1 or No. 2. Those lesser seeds boast a 8-6 SU & 8-5-1 ATS record in those games.

When the Ravens visited Foxboro for last year's AFC Championship Game, Baltimore's Ray Rice was held to 67 yards on 21 carries and only 11 yards on one catch out of the backfield in New England's 23-20 victory.

Trends by Line Range

Lines in the conference title games have been a bit tighter than those in the previous round, with the average favorite laying less than 5.5 points since '93. There have been seven home underdogs in that span. Take a look at these other line specific trends:

- Hosts have been most reliable when playing as favorites in the -3 to -9.5 line range in Conference Championship Games, going 17-8 SU & 15-10 ATS since '93. Interestingly, the straight-up winner had been 22-0 ATS in such games before the streak ended in the January 2010 NFC title game: New Orleans won but failed to cover the 4-point spread in its 31-28 win over Minnesota. Order was restored in 2011 when the Steelers won and covered at home against the Jets as a 4-point favorite, but the Patriots last year failed to cover in their 23-20 win as a 7-point favorite over the Ravens. Eight straight contests of this type had gone OVER the total prior to last year's AFC title game, which had a line of 49.
- Going back to '93, 10 Conference Championship games have seen a line move 1.5 points or more throughout the week. Bettors are 4-5-1 ATS in those games following the money, but when the line has moved three points or more, bettors are just 0-3-1 ATS. In other words, you'd have been much better off fading the line move in such cases.

StatFox Dave

StatFox Dave is one of the original four founders of StatFox and over the years has been renowned for his handicapping prowess in all sports. Anyone who signed up for our NBA postseason Best Bets certainly knows that to be true, as Dave racked up a 59% success rate on all picks (including a perfect **5-0 ATS in the 2012 NBA Finals**) and an astounding **66% success rate on Best Bets during the 2012 NBA postseason**. Dave has caught fire in college hoops Best Bets, going 7-3 ATS (70%) from Thursday to Sunday. That boosts him to 54.4% ATS (81-68-3) for the season.

StatFox Gary

StatFox Gary joined the StatFox and the Platinum Sheet staff prior to the 2010 football season, and subscribers were certainly happy he did: He proceeded to post a 55% success rate on NFL Best Bets in his "rookie" season. Football isn't the only sport at which Gary excels, as he finished the 2011-12 college basketball regular season with a 156-99-1 (61%) record on all picks, which included a gaudy **54-25 record against the spread (68%)** on college basketball Best Bets. Gary has put together another profitable CBB season of Best Bets, going 58% ATS (50-37).

StatFox Scott

StatFox Scott serves as Managing Editor for StatFox and The Platinum Sheet and is coming off a 2011-12 college basketball season for the ages: He racked up a 156-99-1 (61%) record on featured matchups with a whopping **56-23 record against the spread (71%) on Best Bets** during the regular season. He closed the season with a 39-11 record over his final 50 Best Bet picks for a **mind-boggling 78% success rate** from December 23 through early March. Scott had a huge 8-3 ATS (73%) week in CBB Best Bets, is 54% ATS in NBA Best Bets, and 58% in NBA totals.

StatFox Brian

A featured writer on both StatFox.com and for Platinum Sheet, StatFox Brian has yet to suffer a losing season of Platinum Sheet Best Bets in either college football, NFL, college basketball or NBA since coming on board during the summer of 2010—that's **an astounding 10 straight seasons without a losing mark**. He compiled a 153-92-1 (60%) record on featured matchups during the 2011-12 college hoops regular season with a 49-30 ATS record (62%) on college hoops Best Bet picks. Brian's 22-12 ATS (65%) in NBA Best Bets since Dec. 23 has him at 55% ATS for the year.

StatFox Forecaster

By weighing several key factors, including recent statistical averages, schedule strength and home-field advantage, the StatFox Forecaster has proven to be an extremely successful long-term handicapping tool. It's most accurate once a season is underway, as evident by an ATS success rate of 61% (123-79-6) on all 2011 NFL regular-season games played between September 25 and the end of the calendar year. In the last NBA season, the Forecaster caught fire for a 200-game stretch between December and April, nailing better than 58% ATS (114-82-4).
