Dallas has not been a good play with moderate spreads this season, going 4-11-1 ATS (27%) when it is giving between three and six points. Portland beat Minnesota at home on Sunday while star PF LaMarcus Aldridge played at less than 100% because of a shoulder injury. That injury could be a problem against a Jazz team that runs its offense through its post players. Since firing head coach Nate McMillan and blowing up the roster, the Blazers have lost the three times they played the second of a back-to-back. They've also gone 1-3 ATS as a favorite since the McMillan firing.
