StatFox NFL Power Rating Lines - Week 1

** The StatFox Power Ratings are determined from a formula that takes into account several key factors, including point margins, difficulty of schedule, team statistics and more. The ratings are typically not as reactive as those you will find elsewhere, and thus prove to be a great long term handicapping tool. Here are the StatFox Power Rating lines and edges for this week's games, with our exclusive home field advantage points built into each home team's rating and corresponding line. Note that the point edge between the Power Rating Line and the actual opening line is denoted for the team with the edge. Use the W/L column to keep track of the winners and losers.

Statfox NFL Outplay Factor Rating Lines - Week 1

** The Outplay Factor Ratings made famous by StatFox are a great Team Strength Indicator as they provide a quantitative measure of how teams are outplaying (+ value) or being outplayed by (- value) their opponents. They are determined by a complicated formula that takes into account a team's points for/against as compared to how their previous opponents have fared. Here are the StatFox Team Outplay Factor Ratings and the corresponding game lines derived from them. Note that the point edge between the Outplay Factor Rating Line and the actual opening line is denoted for the team with the edge. Use the W/L column to keep track of the winners and losers.

NFL GAME BREAKDOWNS: WEEK 1

GREEN BAY PACKERS

vs

SEATTLE SEAHAWKS (-5½)

• (461) GREEN BAY (SU: 8-8-1, ATS: 6-9) at (462) SEATTLE (SU: 16-3, ATS: 13-6) - Thursday, 9/4/2014 8:30 PM

	TEAM OFFENSE								TEAM DEFENSE							
	PDIF	SS	PPG	FD	RUSHING	PASSING	TOTAL	F-I	PPG	FD	RUSHING	PASSING	TOTAL	F-I	TOD	
GREEN BAY	-0.8	20	26	22	29-133 (4.6)	35-23-260 (7.4)	64-393 (6.1)	1-1	27	21	27-127 (4.7)	33-20-245 (7.3)	60-372 (6.2)	1-1	-2	
SEATTLE	+12.4	22	27	18	32-137 (4.3)	26-16-197 (7.6)	58-334 (5.8)	1-0	14	18	26-101 (3.9)	34-20-183 (5.4)	60-284 (4.7)	1-2	+27	

GAME BREAKDOWN: The defending Super Bowl Champions will run early and often and lean on their smothering defense. QB Russell Wilson makes a big impact in limited chances, and if WR Percy Harvin stays healthy, he'll be the best passing-game weapon Seattle has had in a long time. The Packers will compete for the NFC title if QB Aaron Rodgers stays healthy. RB Eddie Lacy is an emerging star, and plenty of talent remains in Green Bay's receiving corps. LB Clay Matthews and new DE Julius Peppers should be able to pressure opposing quarterbacks, though the Packers' gambling secondary is prone to allowing big plays.

COACHING POWER TRENDS:

- Pete Carroll is 8-0 ATS at home in the first month of the season as coach of SEATTLE.
- Pete Carroll is 12-2 ATS as a favorite of 3.5 to 9.5 points as coach of SEATTLE.

SERIES HISTORY - LAST 5 SEASONS:

SEATTLE is 1-1 ATS (1-1 SU) vs. GREEN BAY (1-0 ATS, 1-0 SU at home.)

STATFOX SIX PACK:

- SEATTLE is 26-11 ATS in all lined games since the start of the 2012 season.
- SEATTLE is 20-8 ATS against conference opponents since the start of the 2012 season.
- SEATTLE is 6-0 ATS as a home favorite of 7 points or less since the start of the 2012 season.
- GREEN BAY is 58-37 OVER in games played on turf since 1992.
- Mike McCarthy is 40-27 ATS in road lined games as coach of GREEN BAY.
- Mike McCarthy is 13-5 OVER against NFC West division opponents as coach of GREEN BAY.

STATFOX FORECASTER:	Green Bay	16
	Seattle	31

CLEVELAND BROWNS

vs

PITTSBURGH STEELERS (-6½)

• (467) CLEVELAND (SU: 4-12, ATS: 6-10) at (468) PITTSBURGH (SU: 8-8, ATS: 9-7) - Sunday, 9/7/2014 1:00 PM

	TEAM OFFENSE								TEAM DEFENSE							
	PDIF	SS	PPG	FD	RUSHING	PASSING	TOTAL	F-I	PPG	FD	RUSHING	PASSING	TOTAL	F-I	TOD	
CLEVELAND	-6.1	20	19	19	22-86 (4.0)	43-24-252 (5.9)	65-338 (5.2)	1-1	25	20	29-111 (3.9)	38-23-221 (5.8)	67-332 (5.0)	0-1	-8	
PITTSBURGH	+0.6	18	24	20	25-86 (3.5)	37-24-251 (6.9)	62-337 (5.4)	1-1	23	19	27-116 (4.3)	36-21-221 (6.2)	63-337 (5.3)	1-1	-4	

GAME BREAKDOWN: The Steelers were 8-4 SU and 9-3 ATS after their 2013 bye week. RB Le'Veon Bell could break out as a versatile weapon, while WR Antonio Brown is a bona fide playmaker. The defense failed to get sacks and force turnovers last year, and an influx of youth is expected to help. With WR Josh Gordon suspended, the Browns offense will struggle. QB Brian Hoyer and RB Ben Tate were rightly relegated to backup roles previously in their careers, and the WR corps is made up of castaways and retreats. Cleveland's defense is promising, especially in the back seven, though they struggled in the red zone last season.

BETTING SYSTEM:

Underdogs or pick - bad team from last season who won only 25% to 40% of their games. (41-12 ATS)
Play = CLEVELAND against the spread

SERIES HISTORY - LAST 5 SEASONS:

PITTSBURGH is 5-5 ATS (8-2 SU) vs. CLEVELAND (3-2 ATS, 5-0 SU at home.)

STATFOX SIX PACK:

- PITTSBURGH is 46-24 ATS as a home favorite of 3.5 to 7 points since 1992.
- PITTSBURGH is 92-61 ATS as a favorite of 3.5 to 9.5 points since 1992.
- PITTSBURGH is 10-2 UNDER as a home favorite over the L3 seasons.
- PITTSBURGH is 88-64 ATS versus division opponents since 1992.
- Mike Tomlin is 17-7 UNDER at home when total is between 38.5 and 42 points as coach of PITTSBURGH.
- PITTSBURGH is 94-58 against the 1H line as a favorite of 3.5 to 9.5 points since 1992.

STATFOX FORECASTER:	Cleveland	19
	Pittsburgh	26

NEW ENGLAND PATRIOTS (-4½)

vs

MIAMI DOLPHINS

• (481) NEW ENGLAND (SU: 13-5, ATS: 9-9) at (482) MIAMI (SU: 8-8, ATS: 9-7) - Sunday, 9/7/2014 1:00 PM

GAME BREAKDOWN: The Patriots, perennial AFC East favorites, face a test in Miami to start 2014. QB Tom Brady will benefit from the return of TE Rob Gronkowski, while questions linger in the running game. Their bend-don't-break defense is bolstered by elite CB Darrelle Revis' arrival. New Dolphins OC Bill Lazor is installing an uptempo attack. QB Ryan Tannehill needs to improve in his third year, though he doesn't have much to work with aside from speedy WR Mike Wallace. Miami strengthened its secondary this offseason and has a potent DE combo in Cameron Wake and Olivier Vernon, who combined for 20 sacks in 2013.

BETTING SYSTEM:

- Bill Belichick is 62-41 ATS as a favorite of 3.5 to 9.5 points as coach of NEW ENGLAND.
- Bill Belichick is 68-45 ATS in road lined games as coach of NEW ENGLAND.

SERIES HISTORY - LAST 5 SEASONS:

MIAMI is 4-5 ATS (2-8 SU) vs. NEW ENGLAND (2-2 ATS, 2-3 SU at home.)

COACHING POWER TRENDS:

- MIAMI is 16-5 UNDER against conference opponents since the start of the 2012 season.
- MIAMI is 9-1 UNDER versus division opponents since the start of the 2012 season.
- MIAMI is 102-76 UNDER in home lined games since 1992.
- NEW ENGLAND is 45-27 ATS away versus division opponents since 1992.
- NEW ENGLAND is 160-121 ATS against conference opponents since 1992.
- Bill Belichick is 68-47 ATS versus division opponents.

STATFOX FORECASTER:	New England	25

TENNESSEE TITANS

vs

KANSAS CITY CHIEFS (-4½)

• (479) TENNESSEE (SU: 7-9, ATS: 6-6) at (480) KANSAS CITY (SU: 11-6, ATS: 9-8) - Sunday, 9/7/2014 1:00 PM

GAME BREAKDOWN: New Titans head coach Ken Whisenhunt aims to put QB Jake Locker's career on track. Tennessee has plenty of potential among its receiving corps, while rookie RB Bishop Sankey has game-breaking skills. The defense may take a few games to come together after shifting to a 3-4 scheme. The Chiefs will be without WR Dwayne Bowe, who's serving a one-game suspension. RB Jamaal Charles is a special talent, but QB Alex Smith runs a rather impotent passing game. K.C.'s defense needs to maintain its very high turnover and sack rates. The Chiefs' return game could be a difference-maker.

BETTING SYSTEM:
Any team where the total is between 42.5 and 49 points - terrible passing defense from last season - allowed 255 or more passing yards/game. (23-5 Under) Play = Under the total

SERIES HISTORY - LAST 5 SEASONS:
KANSAS CITY is 2-0 ATS (2-0 SU) vs. TENNESSEE (1-0 ATS, 1-0 SU at home.)

STATFOX SIX PACK:

- KANSAS CITY is 15-4 UNDER at home in the first two weeks of the season since 1992.
- KANSAS CITY is 26-11 UNDER at home in September games since 1992.
- KANSAS CITY is 29-13 UNDER in the first two weeks of the season since 1992.
- Andy Reid is 112-82 ATS against conference opponents.
- TENNESSEE is 10-22 ATS against AFC West division opponents since 1992.
- Ken Whisenhunt is 10-2 ATS in the first two weeks of the season.

GAME BREAKDOWN: New head coach Jay Gruden is retooling Washington's offense, hoping to get the ball out of QB Robert Griffin's hands quickly. The conundrum is that Griffin is most effective when he's a threat to run, but that running could easily land him on I.R. The 'Skins defense can't be much worse than they were in 2013, but they didn't make any huge changes. The Texans will lean on RB Arian Foster. He's starting to slow, but they have no experience behind him and a passing game devoid of talent. New DC Romeo Crennel should revive Houston's defense, installing a 3-4 scheme designed to increase sacks and turnovers.

GAME BREAKDOWN: Buffalo needs returns on its offensive investments this year. QB EJ Manuel has looked erratic and overwhelmed, RB C.J. Spiller has been timid and inconsistent, and Buffalo paid a steep price for rookie WR Sammy Watkins. The Bills defense was effective at times last year, but it lost LB Kiko Alonso to a torn ACL and coordinator Mike Pettine to the Browns. The Bears offense is explosive under Marc Trestman. His receivers are enormous and gifted, and RB Matt Forte is an underrated talent. Chicago's defense was simply atrocious last season, though DE signees Jared Allen and Lamarr Houston may help.

BETTING SYSTEM:
Underdogs or pick - bad team from last season who won only 25% to 40% of their games. (41-12 ATS)

GAME BREAKDOWN: New Bengals OC Hue Jackson is going to emphasize the running game with electrifying playmaker RB Gio Bernard and powerful rookie RB Jeremy Hill. QB Andy Dalton is a mediocre passer, but WR A.J. Green is a beast who makes up for it. Cincy's defense is arguably the AFC's best, especially if DT Geno Atkins stays healthy. With RB Ray Rice suspended, the Ravens need RB Bernard Pierce to step up. WR Steve Smith's arrival and TE Dennis Pitta's health are major boons for QB Joe Flacco. Baltimore needs LB duo Elvis Dumervil and Terrell Suggs to make more plays after they faded late last season.

COACHING POWER TRENDS:

- Marvin Lewis is 42-31 ATS in games where the line is +3 to -3 as coach of CINCINNATI.
- Marvin Lewis is 26-15 OVER away in the first half of the season as coach of CINCINNATI.

GAME BREAKDOWN: The Vikes will need another huge season out of Adrian Peterson, while new OC Norv Turner hopes WR Cordarrelle Patterson can emerge as a playmaker. New head coach and former Bengals DC Mike Zimmer has his work cut out for him defensively, as an already terrible unit lost star DE Jared Allen. The Rams' running game came alive late last year with RB Zac Stacy. They'll need it, as journeyman Shaun Hill will be under center now that Sam Bradford is lost for the season. Hill has a chance to thrive with so many athletic receivers around him. DE Robert Quinn anchors a ferocious D-line, but the secondary is vulnerable.

BETTING SYSTEM:
Underdogs or pick - bad team from last season who won only 25% to 40% of their games. (41-12 ATS)

GAME BREAKDOWN: The Saints' passing game will remain dominant with plenty of options for QB Drew Brees. New Orleans may try to run between the tackles more often this season after its success late last year. Ball-hawking safety Jairus Byrd was a huge addition to a defense that improved tremendously last season. Injuries derailed the 2013 Falcons. When healthy, Atlanta has one of the league's best WR trios in Julio Jones, Roddy White and Harry Douglas. The defense took a huge step back last season and hope DC Mike Nolan can right the ship without any drastic personnel changes.

Underdogs or pick - bad team from last season who won only 25% to 40% of their games. (41-12 ATS)

GAME BREAKDOWN: The Eagles hope they can stay one step ahead of the league with Chip Kelly's hurry-up offense and RB LeSean McCoy's game-breaking ability. QB Nick Foles was superb last season, though losing DeSean Jackson could be a setback. On defense, Philly was strong against the run last year and excelled at forcing turnovers. The Jags have replacement-level starters in QB Chad Henne and RB Toby Gerhart, and their young WRs aren't ready to break out just yet. Jacksonville's defense spends too much time on the field to mask their many deficiencies, though they may have a decent pass rush this season.

GAME BREAKDOWN: While the outlook in Oakland remains bleak, there's at least a glimmer of hope in the form of rookie quarterback Derek Carr, a second-rounder who's expected to get the Week 1 start in place of Matt Schaub. On defense, the signings of DEs Justin Tuck and LaMarr Woodley and CB Carlos Rogers would be great if this were 2009. The Jets' 2014 doesn't look much more promising. Their defense is strong up front but doesn't force many turnovers. New York's offense is a mess, as QB Geno Smith looked lost more often than not last season, and the skill-position players around him are equally as uninspiring.

BETTING SYSTEM:
Underdogs or pick - bad team from last season who won only 25% to 40% of their games. (41-12 ATS)

GAME BREAKDOWN: Carolina's defense was outstanding last season and the team shored up its secondary in the spring. The running game is more quantity than quality, while QB Cam Newton has very little talent to work with in the passing game. The Bucs are moving on from arguably the worst head coaching hire in NFL history (Greg Schiano) and they hope their defense continues to improve with an influx of talent and new head coach Lovie Smith bringing in DC Leslie Frazier. QB Josh McCown could find success throwing to mammoth receivers, while RB Doug Martin hopes to regain his 2012 form.

TEAM POWER TRENDS:

- CAROLINA was 10-3 UNDER against conference opponents last season.
- CAROLINA is 49-31 ATS away in games played on a grass field since 1995.

SERIES HISTORY - LAST 5 SEASONS:
TAMPA BAY is 4-6 ATS (4-6 SU) vs. CAROLINA (2-3 ATS, 2-3 SU at home.)

GAME BREAKDOWN: The Niners offense should be improved this season. QB Colin Kaepernick is a dual-threat juggernaut when healthy, and his receiving corps is only getting better. That said, this is a run-first offense. San Fran's defense has some question marks with LB NaVorro Bowman hurt, LB Aldon Smith suspended and the secondary replacing three starters. The Cowboys should have no trouble moving the ball, especially early in games and early in the season. Their defense was horrific last season, and they lost pass-rushing threats DE DeMarcus Ware and DT Jason Hatcher to free agency. LB Sean Lee is out for the season (knee).

COACHING POWER TRENDS:

GAME BREAKDOWN: Indy hopes that QB Andrew Luck takes his place among the NFL's elite QBs this season, as the Colts are loaded with receiving talent. Their running game may struggle again behind a porous O-line. The defense was solid last year, but will be without game-changing LB Robert Mathis (suspension) in this Sunday Night matchup. Denver's record-setting offense shows no signs of slowing under QB Peyton Manning's watch, and the defense should be improved this season. LB Von Miller is back from an ACL tear, DE DeMarcus Ware has some sacks left in him, and CB Aqib Talib and SS T.J. Ward upgrade the secondary.

GAME BREAKDOWN: New Giants OC Ben McAdoo's West Coast passing game seems to emphasize QB Eli Manning's decision-making weaknesses and neglect his elite downfield skills. RB Rashad Jennings can't do any worse than New York's awful running attack from 2013. On defense, the back seven may be a strength, but they lack pass-rushers. The Lions hope that WR Golden Tate and rookie TE Eric Ebron can keep defenses honest against the league's best WR, Calvin Johnson. Detroit's defense was decent last year and will be more aggressive under new DC Teryl Austin. They need their young talent in the front seven to step up.

STATFOX FORECASTER:	New York	17

- DETROIT is 10-2 UNDER when playing on Monday night since 1992.

SAN DIEGO CHARGERS

vs

ARIZONA CARDINALS (-3)

• (491) SAN DIEGO (SU: 10-8, ATS: 11-6) at (492) ARIZONA (SU: 10-6, ATS: 10-5) - Monday, 9/8/2014 10:20 PM

GAME BREAKDOWN: Arizona will use unproven, undersized RB Andre Ellington early and often. QB Carson Palmer is very average, and while WR Larry Fitzgerald fades, WR Michael Floyd is emerging. Arizona's defense is in trouble after a great showing in 2013. They lost LB Karlos Dansby to free agency, LB Daryl Washington to suspension and DE Darnell Dockett to injury. San Diego QB Philip Rivers could have another solid season as promising receivers WR Keenan Allen and TE Ladarius Green improve. The Chargers' bend-don't-break defense doesn't create sacks or turnovers, and the team didn't make any upgrades this spring.

STATFOX FORECASTER:	San Diego	20
	Arizona	25

BETTING SYSTEM:

Any team where the total is between 42.5 and 49 points - good rushing defense from last season - allowed 90 or less rushing yards/game. (47-18 Under) Play = Under the total

StatFox Dave

StatFox Dave is one of the original four founders of StatFox and over the years has been renowned for his handicapping prowess in all sports. Dave was especially strong in the college sports last season, posting a 55% ATS mark (38-31-2) in 2013 CFB Best Bets. This included a hefty 77% ATS record (17-5-1) on college football games that were not part of the marquee games grid above. Dave then went on to nail 62% ATS (70-43-2) in college basketball Best Bets, a record that was capped off with an astounding 74% ATS mark (14-5) for the NCAA Tournament.

StatFox Gary

StatFox Gary joined the StatFox and the Platinum Sheet staff prior to the 2010 football season, and subscribers were certainly happy he did: He proceeded to post a 55% success rate on NFL Best Bets in his "rookie" season. Gary finished strong in NFL Best Bets last season as well, going 67% ATS (16-8-2) after Week 9. He did the same thing in college basketball Best Bets with a 63% ATS mark (30-18) after Feb. 5 to finish with a 57% ATS record (64-49-2) in CBB Best Bets for the season. Gary began the 2014 CFB season with an impressive 13-3 ATS mark on featured games.

StatFox Scott

StatFox Scott serves as Managing Editor for StatFox, Platinum Sheet and the Edge Football Preview Guide. Scott really finished strong in all sports last season, first going 5-2 ATS (71%) in college football bowl Best Bets. Then for NFL Best Bets, he recorded a 59% ATS mark (33-23-2) after Week 3, and was outstanding on NFL totals all year at 56% (40-31), including a perfect 5-0 in the postseason games. His college basketball season also represented a huge finish, as Scott was 64% ATS (25-14-3) in college hoops Best Bets after Feb. 14.

StatFox Brian

A featured writer on StatFox.com and for Platinum Sheet, StatFox Brian has yet to suffer a losing season of Platinum Sheet Best Bets in either college football or NFL since coming on board in 2010. Last year marked Brian's second straight 60% ATS (41-27-6) season record in NFL Best Bets, but it was his college basketball prowess that really stood out in 2013-14. Brian finished with a remarkable 69% ATS record (76-34-5) on college hoops Best Bets for the entire season, a mark that including an eye-popping 77% ATS record (44-13-4) after Jan. 17.

StatFox Forecaster

By weighing several key factors, including recent statistical averages, schedule strength and home-field advantage, the StatFox Forecaster has proven to be an extremely successful long-term handicapping tool. It's most accurate once a season is underway, as evident by winning records in all four sports' featured Platinum Sheet games last year. The Forecaster correctly predicted the ATS winner for 59% (149-105-12) of all NFL games, 57% (151-114-8) of all CFB games, 53% (207-181-12) of all NBA games and 51% (189-183-11) in college basketball last season.

StatFox College Football Power Rating Lines - Week 2

** The StatFox Power Ratings are determined from a formula that takes into account several key factors, including point margins, difficulty of schedule, team statistics and more. The ratings are typically not as reactive as those you will find elsewhere, and thus prove to be a great long term handicapping tool. Here are the StatFox Power Rating lines and edges for this week's games, with our exclusive home field advantage points built into each home team's rating and corresponding line. Note that the point edge between the Power Rating Line and the actual opening line is denoted for the team with the edge. Use the W/L column to keep track of the winners and losers.

Statfox College Football Outplay Factor Rating Lines - Week 2

** The Outplay Factor Ratings made famous by StatFox are a great Team Strength Indicator as they provide a quantitative measure of how teams are outplaying (+ value) or being outplayed by (- value) their opponents. They are determined by a complicated formula that takes into account a team's points for/against as compared to how their previous opponents have fared. Here are the StatFox Team Outplay Factor Ratings and the corresponding game lines derived from them. Note that the point edge between the Outplay Factor Rating Line and the actual opening line is denoted for the team with the edge. Use the W/L column to keep track of the winners and losers.

GAME BREAKDOWN: Arizona got off to a fast start with yet another first-year starter under center last week. The Wildcats looked shaky at times with redshirt freshman Anu Solomon leading the offense but eventually pulled away for a 58-13 home victory over UNLV. They'll travel to meet a deceptively strong UTSA squad. The Roadrunners dismantled Houston in their opener, 27-7 on the road. That stretched their SU winning streak to six (5-1 ATS). They were outclassed by Arizona in Tucson last September, losing 38-13.

STATFOX FORECASTER:

GAME BREAKDOWN: Washington State was surprisingly tough on the road last year, as they went 3-3 SU and 6-0 ATS in true road games. Last week they blew a game late against Rutgers in Seattle, with River Cracraft's fumbled fourth-quarter punt return leading to the game's winning points. QB Connor Halliday threw for 532 yards and 5 TDs in the loss. Nevada beat FCS opponent Southern Utah 28-19 in their opener, but the game wasn't that close. GAME BREAKDOWN: Kansas State has owned the Cyclones recently, beating them six times in a row SU including a 41-7 win in Manhattan last November. They have a good chance to push it to seven straight. Iowa State dropped its opener at home to FCS powerhouse North Dakota State, 34-14. They were outgained 503-253, allowing 34 unanswered points after grabbing an early lead. Brian Burrell (11-19, 92 yds, INT) and Brandon Connette (7-17, 68 yds, 3 INT) both struggled in a blowout loss at USC. The Bulldogs allowed 701 yards of offense, and have now given up a combined 114 points in their last two true road games. Utah lit up Idaho State, 56-14, in their opener. Junior QB Travis Wilson, back from concussion concerns, started and went 13-18 for 265 yards.

But this will be their first trip to Tulsa since 2007. Before crashing last season (1-5 SU at home), the Golden Hurricane were 7-0 SU at home in 2012. GAME BREAKDOWN: USC won a thriller in L.A. last year, kicking a late field goal for a 20-17 victory in which they forced an uncharacteristic three Cardinal turnovers. Stanford has beaten the Trojans the last two times they've met at Stanford, though the Cardinal failed to cover the last time they were favorites (by 10 points in 2010). They were sluggish in a 28-20 opening win at Virginia last week; their high-powered offense accounted for just one touchdown, though that may have been in part because of the noon kick-off (9 a.m. body clock for the Bruins). Memphis had little trouble with FCS opponent Austin Peay in its opener, a 63-0 win. The Tigers did go 3-2 ATS on the road last season.

GAME BREAKDOWN: North Carolina got off to a shaky start before kicking it into gear last week. They trailed Liberty in the final minute of the first half before pulling away for a 56-29 win, but failed to cover the spread. UNC turned it over four times but managed six takeaways. San Diego State is looking to keep its road success going. The Aztecs went 4-2 SU on the road last year and covered in three of their final four away games. They opened up 2014 with an easy win over FCS opponent Northern Arizona, 38-7.

GAME BREAKDOWN: The Buckeyes are hoping redshirt freshman QB J.T. Barrett is settled in for his first home start. Barrett (12-15, 226 yds, 2 TDs, INT) and the offense were often shaky in a 34-17 win over Navy, a game they trailed in the second half. OSU's defense allowed 370 rushing yards against Navy's triple-option. VT is also breaking in a new quarterback, Texas Tech transfer Michael Brewer. He was 23-30 for 251 yards, 2 TDs and an INT in last week's 34-9 win over FCS opponent William & Mary, and the Hokies rushed for 222 yards.

GAME BREAKDOWN: While they're not as dominant at home as they used to be, and they were outclassed by Ole Miss in Atlanta last week, the Broncos went 6-0 SU (3-3 ATS) on the blue turf last year. They're 3-0 SU and 2-1 ATS against Colorado State, the one ATS loss coming as 29.5-point favorites in a 42-14 win in Boise in 2012. CSU is coming off a neutral field win over in-state rival Colorado last week, rallying with three fourth-quarter TDs in a 31-17 win despite mediocre play from veteran QB Garrett Grayson (13-23, 134 yds, TD).

GAME BREAKDOWN: The Rainbow Warriors aim to put a scare into another Pac-12 opponent. Last week they nearly knocked off Washington, a 17-16 loss as 17-point underdogs. Hawaii rushed for 217 yards on 54 attempts. They covered a 26.5-point line at Oregon State last year despite allowing 451 passing yards in a 33-14 loss. The Beavers did not look sharp in their opener, trailing FCS opponent Portland State at halftime before pulling away for a 29-14 win. QB Sean Mannion threw for 328 yards, but is missing go-to receiver Brandin Cooks.
